St. George's Prepares to Launch an Exciting New Ministry

We are excited to announce the launch of **Tea by George**, a new tea and coffee drop-in center at St. George's. This pilot program, aimed at serving seniors in our community, will be located at the King Street entrance and is expected to open in late November, pending grant approval.

To accommodate this initiative, we will be rearranging the rear of the Nave to create a welcoming space with sofas, chairs, and tables. The area will also provide a comfortable spot for socializing after the 10:30 services.

Tea by George will rely on volunteers. To learn more and get involved, visit our table at the **Ministry Recruitment Fair** on Sunday, September 8. Together, let's bring friendship and fellowship to seniors in Downtown Kingston!

Save the Date: Silent and Live Auction Fundraiser on October 26

Join us at 6pm on Saturday, October 26 in the Great Hall! The items to be auctioned are fine and decorative art pieces. The evening will begin with yummy nibbles and, of course, a glass of wine. The tickets are \$25 per person and will be available shortly. There will also be a chance to be a patron. Letters will be available in the near future informing you how you may become a patron. The money raised will go towards Art for Heritage Windows.

The Season of Creation

The Season of Creation is the annual Christian celebration to pray and respond together to the cry of Creation: the ecumenical family around the world unites to listen and care for our common home. The "Celebration" began on 1 September, the Feast of Creation, and ends 4 October, the Feast of Saint Francis of Assisi, the patron saint of ecology beloved by many Christian denominations. This year's theme is **To Hope and Act in Creation**. To learn more and view resources for prayer and action, visit www.seasonofcreation.org.

Chorister Program – Returning this Week!

It is not too late to register children for the Chorister Program! The program has been designed to provide a thorough music education to the choristers, and is most suitable for those in grades 1-8. Friday rehearsals include an hour of singing alongside the (adult) Cathedral Choir. Register at www.stgeorgescathedral.ca.
